Household Hazardous Waste Collection

By Appointment Only
www.smchealth.org/hhw

| | |
|--------------------|---------------------|
| Saturday, March 30 | Saturday, August 24 |
|--------------------|---------------------|

Location and instructions will be provided after making an appointment. San Mateo County residents may also drop off household hazardous waste by appointment year-round at other collection events or at the County facility.

Coats for Kids

Donate new or gently used coats to those in need during the cold weather season (all sizes gratefully accepted)

| | |
|------------------------------|---|
| November 4 to November 8 | Place coats at the curb on your regular recycling collection day in a plastic bag labeled "Coats for Kids." |
| November 4 to November 15 | Drop off coats at the Recreation Center (650 Shell Boulevard) |

Proper Battery Disposal

Properly dispose of batteries by placing them in a clear zipper bag on top of the black garbage cart on your regular pick-up day or by bringing them to a collection site. Dwellings of 5 or more units can request free battery buckets for their common areas. Learn more: www.rethinkwaste.org/batteries.

Bulky Item Collection

Single-family residents may call Recology to schedule up to two (2) no-cost curbside Bulky Item Collections per year^ for large items that don't fit into carts. Additional pickups may be requested for a fee. Multi-family complexes can coordinate large item collection events through their property managers.

^ Appointments available between February and December

Safe Medicine Disposal

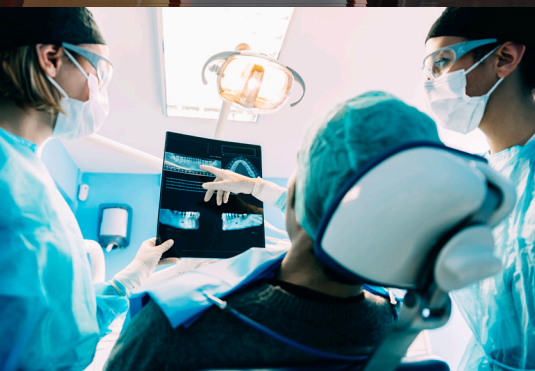

Find a location to properly dispose of unwanted, expired or unused medications and learn more about proper disposal from Med-Project: <https://med-project.org/locations/san-mateo> or (844) 633-7765.
