- Recolección a domicilio para los clientes residenciales - visitando [Recology.com/RSMschedules](https://www.Recology.com/RSMschedules)

YOUR GREEN CART

RECOLECCIÓN DE ARTÍCULOS VOLUMINOSOS

- ✓ Don't forget to put your holiday food scraps in your compost cart!
- ✓ Studies have shown that up to 30% of the material found in landfills could be composted instead.
- ✓ Prevent odors and pests by:
 - Wrapping your food scraps with newspaper or paper bags
 - Storing your food scraps in the freezer and putting them in your compost cart the night before your service day
 - Using a kitchen pail and emptying daily

LEGISLATIVE INFO

State Law AB 341 Mandatory Commercial Recycling

California Assembly Bill 341 (AB 341) mandates that as of January 1, 2012 commercial establishments that generate 4 cubic yards or more of solid waste per week, and multifamily dwellings of 5 units or more must have recycling services.

State Law AB 1826 Mandatory Commercial Organics

California Assembly Bill 1826 (AB 1826) mandates that as of January 1, 2019 commercial establishments that generate 4 cubic yards or more of solid waste per week must arrange for an organics recycling program.

Our Waste Zero Team can help your business, school, or multi-family dwelling comply with these state laws. Call **800.243.0291** or email **RecologySonomaMarin@Recology.com**.

SAVE SOME GREEN

WINTER IS COMING... YA VIENE EL INVIERNO...

KEEP YOUR LIDS CLOSED

When paper and cardboard get wet, they are difficult (if not impossible) to recycle. Therefore, it is important to keep the lids of your containers closed, especially during rainy season.

MANTENGA SUS TAPAS CERRADAS

Cuando el papel y el cartón se mojan, hace que el material sea difícil (o imposible) de reciclar. Por eso es importante mantener cerradas las tapas de sus contenedores, especialmente durante la temporada de lluvias.

Keeping leaves and debris out of storm drains is essential to a healthy environment. **Please do not pile leaves from your property on the street. Use your compost cart instead.**

Mantener las hojas y los escombros fuera de los desagües pluviales es esencial para tener un medioambiente saludable. **No apile las hojas de su propiedad en la calle. Póngalas en su contenedor para los desechos del jardín.**

✓ Look for your sweeping schedule at www.Recology.com/SonomaMarin

Encuentre su día y horario de barrido visitando

✓ Avoid street parking on sweep day

Evite estacionarse en la calle el día de barrido

✓ Make sure trees and shrubs don't grow into the roadway

Asegúrese de que los árboles y arbustos no crezcan en la carretera

WHAT GOES WHERE? ¿A DÓNDE VA CADA COSA?

COMPOST

- ✓ **Food scraps**
Restos de comida

- ✓ **Plant trimmings**
Recortes de plantas

- ✓ **Soiled paper**
Papel sucio

- ✓ **Wooden chop sticks & stir sticks**
Palillos chinos y palitos de madera

✓ **YES, you can put food scraps & soiled paper in your yard trimmings cart (AKA compost cart)!**

✓ Keeping food scraps and yard trimmings out of the landfill reduces methane (a potent greenhouse gas) emissions.

RECYCLE

- ✓ **Aluminum & steel cans**
Latas de aluminio y acero
- ✓ **Aluminum foil & trays**
Papel y charolas de aluminio

- ✓ **Plastic containers**
Contenedores de plástico

- ✓ **Glass bottles & jars**
(metal caps & lids on)
Botellas y frascos de vidrio (incluya las tapas de metal)

- ✓ **Paper & cardboard**
Papel y cartón

♻️ Recyclables must be empty & dry.
No food or liquids.

♻️ When it comes to plastics, think containers. Plastic bottles, tubs, jugs, and cups are accepted.
No plastic bags please.

Recycle motor oil curbside.

HOUSEHOLD HAZARDOUS WASTE RESIDUOS PELIGROSOS DEL HOGAR

DO NOT dispose of household hazardous waste in garbage, recycling, or compost bins.

It is extremely dangerous to sanitation workers and must be disposed of properly.

NO deseche los residuos peligrosos del hogar en los contenedores de reciclaje o de desechos del jardín (composta).

Estos son extremadamente peligrosos para los trabajadores del sitio de recolección y deben eliminarse adecuadamente.

ZeroWasteSonoma.gov

Zero Waste Sonoma has several options for proper disposal of household hazardous waste.

La agencia **Zero Waste Sonoma** tiene varias opciones para que los residentes del condado de Sonoma eliminen los residuos domésticos peligrosos adecuadamente.
