HOLIDAY SERVICE INFORMATION INFORMACIÓN DE SERVICIO PARA LA TEMPORADA NAVIDEÑA

Season's Greetings from Recology!

HOLIDAY COLLECTION SCHEDULE

There will be no collection service on **Christmas and New Year's Day**. Service will be delayed by one day. You can check your service schedule at www.Recology.com/RSMschedules.

HOLIDAY TREE RECYCLING - Trees must be cut in half and unflocked

- Drop-off Locations (December 26 - January 17 Daily 8am - 5pm): Point Reyes Fire Station - 4th & B Streets, Tomales Fire Station - 599 Dillon Beach Rd, Woodacre Fire Station - 33 Castle Rock Rd.
- Holiday trees may be cut to fit inside your compost cart at any time. The lid of your cart must close.

RECOLECCIÓN DURANTE LA TEMPORADA NAVIDEÑA

No habrá servicio de recolección de basura el Día de Navidad, Día de Año Nuevo. El servicio se retrasará un día. Puede confirmar sus fechas de servicio visitando www.Recology.com/RSMschedules.

RECICLAJE DE ÁRBOLES DE NAVIDAD - Los árboles deben cortarse por la mitad y sin nieve artificial

- Pase a dejar los árboles navideños (del 26 de diciembre al 17 de enero, todos los días de 8:00am a 5:00pm): Point Reyes Fire Station - 4th & B Streets, Tomales Fire Station - 599 Dillon Beach Rd, Woodacre Fire Station - 33 Castle Rock Rd.
- Los árboles de navidad limpios sin escarcha o adornos se pueden cortar y poner dentro de su contenedor de desechos desechos del jardín. La tapa de su contenedor debe estar cerrada.

REUSE

Reuse is one of our all time favorite “R’s” (Tied for first place with Reduce, Recycle, and **Recologize**)! If you have an item that is no longer of use to you, that doesn’t mean it won’t be useful to someone else.

- Consider donating the item to a local thrift store or charity.
- List working items on websites like Craigslist, Nextdoor, or Letgo.
- Make some art! It’s amazing what you can do with a little paint and glue.
- Have a community yard sale. It’s a great way to earn extra money, and keep items out of the landfill.

LEGISLATIVE INFO

State Law AB 341 Mandatory Commercial Recycling

California Assembly Bill 341 (AB 341) mandates that as of January 1, 2012 commercial establishments that generate 4 cubic yards or more of solid waste per week, and multifamily dwellings of 5 units or more must have recycling services.

State Law AB 1826 Mandatory Commercial Organics

California Assembly Bill 1826 (AB 1826) mandates that as of January 1, 2019 commercial establishments that generate 4 cubic yards or more of solid waste per week must arrange for an organics recycling program.

Our Waste Zero Team can help your business, school, or multi-family dwelling comply with these state laws. Call **800.243.0291** or email **RecologySonomaMarin@Recology.com**.

MONEY SAVERS!

TRIM YOUR WASTE

Recycle and **Compost** more.
Reduce your **Garbage**.
Good for the environment.
Good for your bank account!

SAVE SOME GREEN

WINTER IS COMING... YA VIENE EL INVIERNO...

KEEP YOUR LIDS CLOSED

When paper and cardboard get wet, they are difficult (if not impossible) to recycle. Therefore, it is important to keep the lids of your containers closed, especially during rainy season.

MANTENGA SUS TAPAS CERRADAS

Cuando el papel y el cartón se mojan, hace que el material sea difícil (o imposible) de reciclar. Por eso es importante mantener cerradas las tapas de sus contenedores, especialmente durante la temporada de lluvias.

YOUR GREEN CART TU CARRO VERDE

Keeping leaves and debris out of storm drains is essential to a healthy environment. **Please do not pile leaves from your property on the street. Use your compost cart instead.**

Mantener las hojas y los escombros fuera de los desagües pluviales es esencial para tener un medioambiente saludable. **No apile las hojas de su propiedad en la calle. Póngalas en su contenedor para los desechos del jardín.**

TAKE THE LEAVES TO THE CART

NOT TO THE CURB

- ✓ You can place RAW fruit and vegetable scraps in addition to yard trimmings in your green compost cart!
- ✓ Please refrain from placing soiled paper, meat, bread, dairy, or any cooked foods in your green compost cart.
- ✓ Prevent odors and pests by:
 - Storing your food scraps in the freezer and putting them in your compost cart the night before your service day
 - Using a kitchen pail and emptying daily

WHAT GOES WHERE? ¿A DÓNDE VA CADA COSA?

COMPOST

- ✓ **RAW fruit & veggie scraps**
Restos de frutas y verduras crudas

- ✓ **Plant trimmings**
Recortes de plantas

- ✓ **Wooden chop sticks & stir sticks**
Palillos chinos y palitos de madera

✓ **YES, you can put RAW fruit & vegetable scraps in your yard trimmings cart (AKA compost cart)!**

✓ Compost captures carbon from the air while introducing rich nutrients in the soil. It's a win-win!

✓ Keeping food scraps and yard trimmings out of the landfill reduces methane (a potent greenhouse gas) emissions.

RECYCLE

- ✓ **Aluminum & steel cans**
Latas de aluminio y acero
- ✓ **Aluminum foil & trays**
Papel y charolas de aluminio

- ✓ **Plastic containers**
Contenedores de plástico

- ✓ **Glass bottles & jars**
(metal caps & lids on)
Botellas y frascos de vidrio (incluya las tapas de metal)

- ✓ **Paper & cardboard**
Papel y cartón

♻️ Recyclables must be empty & dry. No food or liquids.

♻️ When it comes to plastics, think containers. Plastic bottles, tubs, jugs, and cups are accepted. **No plastic bags please.**

HOUSEHOLD HAZARDOUS WASTE RESIDUOS PELIGROSOS DEL HOGAR

DO NOT dispose of household hazardous waste in garbage, recycling, or compost bins. It is extremely dangerous to sanitation workers and must be disposed of properly.

NO deseché los residuos peligrosos del hogar en los contenedores de reciclaje o de desechos del jardín (composta). Estos son extremadamente peligrosos para los trabajadores del sitio de recolección y deben eliminarse adecuadamente.

**ZERO
WASTE
MARIN**
