

San Francisco Residential Door-To-Door Hazardous Waste Pickup Program

Only San Francisco residents with hazardous waste from their home (where they live) qualify for this program.

If you would like to set up an appointment to have your hazardous waste (like paint, motor oil, cleaners, pesticides) pick up from your home, please call us @ 415-330-1405 or email back. We are usually in the office from 8am-4:30pm Monday to Friday.

Pickups are Wednesdays to Saturdays. We can give you a specific date with a four hour window between 8am-12noon. We will call you back the evening (around 4-5pm) before the pickup to narrow the time frame to about 2 hours. We do need you (or friend or relative but not realtor or contractor) to be home to sign for it at the time of pickup. Please leave your waste INSIDE your home like the garage or somewhere close to the front of the house. Please do not leave things outside on the side walk.

In order to accommodate as many customers as possible, we need to have a good idea of the size of the containers or the amount of space the waste occupies per category. Please have an inventory of what you have and how much you have ready. See next page for a more detailed list of waste. (Please email inventory if you have a long list of items.) **Or email us some pictures of your chemicals so we can see what you have. If the pictures clearly show what and how much you have then you may not need to do a written inventory.**

Example:

2 x 5gal paint buckets (any type of paint, stains, varnish and primer)

13 x 1gal paint cans

4 x quart paint cans

10-Aerosol cans (any type or size of aerosols)

5- quart of motor oil

2x 1gal Antifreeze

2 car battery and a bag of small batteries.

6 bottles of solvents that fill up a milk crate (like paint thinners, turpentine, gasoline...)

10 items of adhesives & resins that fit in a grocery bag. (things like caulk, glue, tar, wax paste, joint compound.)

8 bottles of kitchen & bathroom cleaners that fill up a grocery bag (like drano, lysol, tsp, ammonia, detergents...)

12 containers of pesticide that fill up a file folder box.

4 long fluorescent tubes

6 small fluorescent CFL bulbs

1 BBQ propane tank and 4 small camping size tanks.

We CAN NOT pickup: Unknown containers, Containers larger than 5gallons, compressed gas cylinders, Asbestos, Water Reactives, Explosives, Biological waste and Radioactive Waste.

If you are leaving a voice message, please also include your address with cross st and zip code and a home phone number and/or cell phone number.

There is no extra charge for this service for a reasonable amount of waste.

(This program is funded by your garbage rate.)

If you have other questions, please call us at 415-330-1405 or visit our website at www.sfhazwaste.com or email us at hhw@recology.com

We also have a permanent hazardous waste facility located near 501 Tunnel Ave, 94134.

Facility hours are Thursday, Friday and Saturday from 8am-4pm (excluding holidays)

If the hazardous waste is from your San Francisco business, you can call our business hazardous waste program at 415-330-1425 to schedule an appointment to drop off your waste.

The following is an example of how to take inventory for our home hazardous waste pickup.

We would like to know the number of items in each category and the size of the container or the amount of space the category takes up in our vehicle.
