

# The Recology® RESOURCE

STINSON BEACH | FALL 2020  
Spanish & English Information Inside

Artist, Evan Whitfield © & TM Lucasfilm LTD. Used with Permission.

Painting by John Deckert of Santa Rosa

**N**ow more than ever, we are proud to be a workforce that provides essential services to the Stinson Beach community. Throughout the unprecedented times of the COVID-19 pandemic as well as recent wildfires, we have taken critical measures to ensure the safety of our employees and our customers, including temperature checks at the start of each work day, providing ample personal protective equipment (i.e. masks and gloves) and training on proper usage, as well as implementation of socially distant workflow for all departments. Thanks to these efforts, our recycle, compost, and garbage collection services, street sweeping trucks, and recycle processing operations have continued entirely uninterrupted.

Our determined customer service team has persevered, and remains available by phone or email. Our website is also available for instant answers from “What is my service schedule?” at [Recology.com/RSMSchedules](https://www.recology.com/RSMSchedules), to “What goes where?” at [Recology.com/RSMWhatBin](https://www.recology.com/RSMWhatBin), to “How can I pay my bill?” at [Recology.com/bill-pay](https://www.recology.com/bill-pay).

We can’t thank our customers enough for the kind words, notes, and artwork showing appreciation over the last several months. Community is essential to the core values of Recology, and we are truly all in this together. Wishing you and your families healthy and festive Fall and Winter seasons.

– **Fred Stemmler, GM Recology Sonoma Marin**

# GET THE FACTS! ¡INFÓRMESE BIEN!

You can still reduce single-use during the COVID-19 pandemic. When ordering take-out, ask to "hold the utensils." Bag your own groceries at the store with reusable bags, OR, place items loose in your cart and bag them in reusable bags at your car.

*Aún puede reducir el uso de los productos desechables durante la pandemia de COVID-19. Cuando ordene comida para llevar, pida "que no le den los utensilios de plástico". Empaque usted mismo los comestibles en la tienda usando sus bolsas reutilizables. O, coloque los artículos sueltos en su carrito y luego póngalos en bolsas reutilizables en su automóvil.*

**Personal Protective Equipment (PPE) belongs in the garbage.** Gloves and masks are not recyclable or compostable. It is very important that we keep these items off the streets, out of the recycling, and place them in the garbage.

*El equipo de protección personal (EPP, por sus siglas en inglés) van en la basura. Los guantes y máscaras no son reciclables o compostables. Es muy importante que mantengamos estos artículos fuera de las calles, fuera del reciclaje, y los ponga en la basura.*

**Compost combats climate change.** Placing your food scraps in your green compost cart allows them to live on as rich nutritious compost, that will pull carbon from the atmosphere into the soil where it belongs. Composting food scraps also prevents them from producing potent methane gas in the landfill, and conserves landfill space.

*El compostar combate el cambio climático. Colocar los restos de comida en su bote verde para el compostaje permite que estos desechos sigan viviendo como una rica y nutritiva composta, extrayendo el carbono de la atmósfera y poniéndolo en la tierra, a donde pertenece. El compostaje de los restos de comida también impide que se produzca potente gas metano en el vertedero de basura y ahorra espacio.*

**Wet paper is not recyclable.** Keeping the lids closed on your recycle cart is crucial during the rainy season. When cardboard and paper get wet, they cannot be recycled.

*El papel mojado no es reciclable. Mantener las tapas cerradas en su carrito de reciclaje es muy importante durante la temporada de lluvias. Cuando el cartón y el papel se mojan, no se pueden reciclar.*

## WASTE ZERO SERVICES

California State laws AB341 (Mandatory Commercial Recycling) and AB1826 (Mandatory Commercial Organics Recycling) require accounts with 4 cubic yards or more of solid waste per week to have recycle and compost service. Let our Waste Zero Team help your school, business, or multi-family dwelling recycle and compost more, while saving money on your monthly bill!

## SERVICE REMINDERS RECORDATORIOS DE SERVICIO

Keeping leaves and debris out of storm drains is essential to a healthy environment. **Do not pile leaves from your property on the street. Use your compost cart.**

*Mantener las hojas y los escombros fuera de los desagües pluviales es esencial para tener un medioambiente saludable. No apile las hojas de su propiedad en la calle. Póngalas en su contenedor para los desechos del jardín.*

Proper cart placement is important. Lids should be closed, and **carts should be placed 3 feet apart the night before your service day.** Ensure there is 12 feet of clearance above each cart - avoid trees and basketball hoops.

*La colocación adecuada de los botes es importante. Los botes deben colocarse a 3 pies de distancia la noche anterior a su día de servicio. Las tapas deben estar cerradas, no llenar en exceso. Asegúrese de que haya 12 pies de espacio libre sobre cada carrito, evite árboles, canastas de baloncesto, etc.*

# 2020 Holiday Information

### HOLIDAY COLLECTION SCHEDULE

Regular collection service will be provided on Thanksgiving Day. **There will not be collection service on Christmas and New Year's Day.** Service will be delayed by one day for those holidays. You can check your service schedule at [Recology.com/RSMschedules](http://Recology.com/RSMschedules).

**HOLIDAY TREE RECYCLING** - Trees must be cut in half, unflocked, and metal stakes removed.

Drop off locations will be available December 26th - January 15th from 8am - 5pm at the Point Reyes Fire Station, the Tomales Fire Station, and the Woodacre Fire Station.

Holiday trees may be cut to fit inside your compost cart at any time. The lid of your cart must close.

### RECOLECCIÓN DURANTE LA TEMPORADA NAVIDEÑA

Se proporcionará un servicio regular de recolección el Día de Acción de Gracias. **No habrá servicio de recolección en Navidad y Año Nuevo.** El servicio se retrasará un día durante esos días festivos. Puede consultar su horario de servicio en [Recology.com/RSMschedules](http://Recology.com/RSMschedules).

**RECICLAJE DE ÁRBOLES DE NAVIDAD** - Los árboles deben cortarse por la mitad, sin nieve artificial y sin estacas de metal.

Los lugares de entrega estarán disponibles del 26 de diciembre al 15 de enero de 8am a 5pm en la estación de bomberos de Point Reyes, la estación de bomberos de Tomales y la estación de bomberos de Woodacre.

Los árboles de navidad limpios sin escarcha o adornos se pueden cortar y poner dentro de su contenedor de desechos del jardín. La tapa de su contenedor debe estar cerrada.

### Tips For Reducing Holiday Waste

#### Gifts

- Give a consumable gift. Local honey, cookies or a home cooked meal will always be appreciated.
- Consider finding a used treasure at Craigslist.org, Facebook Marketplace, or an antique store.
- Make a donation in the recipient's name to a favorite non-profit organization.

#### Giftwrap

- Give gifts in reusable tote bags or baskets.
- Design your own gift wrap by using paper bags or newspaper with a personal touch.
- Metallic wrapping paper or gift bags and ribbons are not recyclable.

## COMPOST

- ✓ Food scraps (produce, meat, bones, dairy, bread)  
*Restos de comida (productos, carne, huesos, productos lácteos, pan)*

- ✓ Plant trimmings  
*Recortes de plantas*

- ✓ Food soiled or wet paper (napkins, paper towels, pizza boxes)  
*Papel sucio (Servilletas, toallas de papel, cajas de pizza)*

- ✓ Wooden utensils, chopsticks, & stir sticks  
*Palillos chinos y palitos de madera*

✗ Plastics (even those labeled "compostable") and paper coated with plastic (i.e. paper coffee cups) are not accepted in compost.

✗ Dirt weighs down your cart and damages our equipment. Small amounts are okay. Shake those roots!

## RECYCLE

- ✓ Aluminum & steel cans  
*Latas de aluminio y acero*
- ✓ Aluminum foil & trays  
*Papel y charolas de aluminio*

- ✓ Plastic containers (bottles, tubs, jugs, & cups) - leave lids on  
*Contenedores de plástico*

- ✓ Glass bottles & jars - leave lids on  
*Botellas y frascos de vidrio -Deje las tapas puestas*

- ✓ Paper, cardboard, & cartons  
*Papel, carton, y cartones*

✗ Recyclables must be empty & dry. No food or liquids.

✗ Plastic bags are not recyclable in our mixed recycling program and they damage our sorting equipment.

## HOUSEHOLD HAZARDOUS WASTE (HHW)

**DO NOT dispose of household hazardous waste in garbage, recycle, or compost bins.** It is extremely dangerous to sanitation workers and must be disposed of properly.

**The Marin HHW Facility at 565 Jacoby Street in San Rafael** has several options for residents and businesses to properly dispose of household hazardous waste.

For a complete description of what can be brought to the facility, **visit [MarinHHW.com](http://MarinHHW.com) or call 415.485.6806.** Residential drop-off is Tuesday - Saturday 8am - 3:30pm. Business drop-off is by appointment only on Tuesdays and Wednesdays 8am - 3pm.
