COMMERCIAL CUSTOMER CORNER

All commercial customers must comply with the new state mandate. SB 1383 requires all businesses to subscribe to organics service. If you have questions, contact a Waste Zero expert through [Recology.com](https://www.recology.com) or call us at 707.552.3110. Learn more at [Recology.com/SB1383](https://www.recology.com/SB1383).

NOT ALL HOLIDAY WRAPPING IS RECYCLABLE!

If your holiday wrapping paper is metallic or has glitter or velvety flocking on it, it's considered garbage. Ribbons and bows are also garbage.

Instead, use plain brown paper and add real greenery for a pop of color! When you're done, the brown paper goes in your recycling cart and the greenery goes in your organics cart. Happy wrapping!

HOLIDAY TREE RECYCLING

Please remove all decorations, tinsel, and tree stands. Cut tree into three-foot sections and put them in the green cart. The lid must close. Put your cart at the curb on your regular service day. Flocked trees can be picked up as part of your free Bulky Item Recycling collection. Call to schedule an appointment.
