No Service <i>New Year's Day, Office Closed</i>	Service for Monday customers	Service for Tuesday customers	Service for Wednesday customers	Service for Thursday customers	Service for Friday customers

- There will be no collection service on Thanksgiving, Christmas, or New Year's days to enable Recology workers to be with their families.

- During Thanksgiving week, Thursday customers will be serviced on Friday and Friday customers will have materials collected on Saturday. Regular service resumes Nov. 27.

- For the two holiday weeks in December and January, collection service will be delayed a day. Regular collection-day service resumes Jan. 8, 2024.

WHAT DO I DO WITH...?

FOAM

Styrofoam and other foam products are not recyclable and never go in the blue cart.

Schedule a collection of up to three bags of foam for free. Put bags beside your gray garbage cart. You must call in advance: **707.552.3110**.

Put packing peanuts and bubble wrap in the garbage cart with the lid closed.

EXTRA CARDBOARD

If you have extra cardboard that won't fit in your blue cart with the lid closed, drop it off at Recology's Recycling Materials Facility, 2021 Broadway St. in Vallejo, between 8 AM and 3:30 PM Thursday through Saturday.

This is a free service. All cardboard boxes must be broken down.

CLEAR THE

CLUTTER

Take advantage of Bulky Item Collection (BIC) to help clear out trash and big discards as you prepare for a cleaner, less cluttered new year.

Residential customers may schedule up to four bulky collections each year at no extra charge. BIC pickups are done on your regular service day.

Unused BIC service does not carry over into the next year.

Email a detailed list of items to CustomerService007@Recology.com or call **707.552.3110** to schedule your BIC today.

Also, be sure to use your Devlin Transfer Station coupon before the end of the year because it expires Dec. 31.

NEW EMPLOYEE SPOTLIGHT!

You might recognize Marcus Walch, also known as Skittlez, from his dancing in the streets.

Born and raised in Vallejo, he started dancing at age 10. Neighbors, friends, and even strangers honked their enthusiasm or thanked him for brightening their day with his fancy-steppin'.

He has appeared in a number of music videos, including one

featuring him dancing on Redwood Street.

As for his nickname, he jokes that M&M was already taken, then adds: "It's because I have so many flavors in my moves."

These days, Marcus, 34, puts his agility and sense of rhythm to work on the Recology recycling sort line.

"I love the teamwork here at Recology Vallejo, working together to keep our community clean," said the company's newest employee.

Marcus started work at the Materials Recovery Facility in July. Coworkers compliment him on his positive attitude and work ethic.

Marcus said he plans to move into other positions at Recology Vallejo, serving his hometown until retirement.

WE'RE HIRING! Recology Vallejo is seeking dedicated workers to fill three driver positions and one mechanic assistant opening.

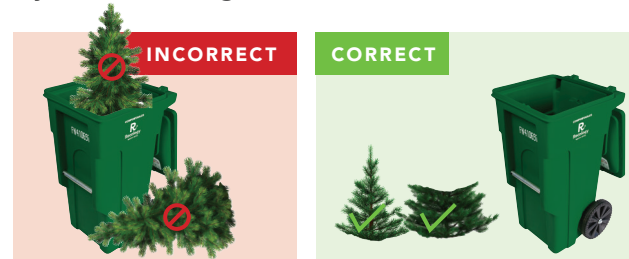

Recology, the largest 100% employee-owned company in the resource recovery industry, offers competitive pay and good benefits.

Apply online by going to [Recology.com](https://www.recology.com), clicking on Careers, and then Working at Recology on the drop-down menu and Search Openings.

HOLIDAY TREE COMPOSTING

Recology accepts natural holiday trees in the green cart.

1. Remove all ornaments, lights, tinsel, hooks, nails, and tree stands.
2. Cut the natural tree into sections that will fit in the green cart with the lid closed.

Flocked trees (sprayed with artificial snow) are not accepted in the green cart. Cut flocked trees to fit in the gray landfill bin with the lid closed or take them to the dump.
