Recycling Drop-Off Facilities

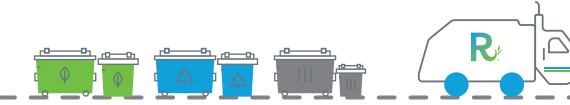

Contact the recycling facility
 for rates, accepted materials
 and other details.

FOR RESIDENTS OF MULTIFAMILY DWELLINGS

Recycle Guide

Multifamily Dwellings (MFDs) with 5 or more units are **required** to arrange for both recycling and organics collection services. Recology can provide tools and guidance to meet state requirements.

MULTIFAMILY SERVICES INCLUDE

Organics Collection

Reduced rate for collection services of food scraps and yard waste; yard waste can no longer be placed in the garbage.

Bulky Item Collection

Twice yearly, owners of MFDs can arrange for the collection of bulky items and reusable materials **at no additional cost**.

Environmental Days

Three times per year, residents are invited to **drop off electronic waste for safe recycling, securely shred paper on-site, and pick up free compost** during these events in Hollister and San Juan Bautista.

Technical Assistance & Training

A waste zero specialist can provide **free** training and resources to property owners, managers, tenants and maintenance staff to increase recycling, reduce waste and potentially save money.

Neighborhood Cleanup

Managers can request large bins for garbage, recyclables, and litter cleanup.

FREE BUDDY BAGS

Reuse this bag to store and transfer your recyclables to the bin or cart.
 Request yours today!

Lids are to remain closed at all times. Don't overfill.

KEEP IT EMPTY, CLEAN, AND DRY!

GLASS BOTTLES AND JARS

PLASTICS #1-7

Bag shredded paper, or compost it loosely

CLEAN PAPER, SHREDED PAPER AND ASEPTIC BOXES (E.G. MILK, JUICE)

METALS

- UNACCEPTABLE ITEMS**
- Food
 - Garbage
 - Film plastics
 - Plastic bags
 - Polystyrene
 - Diapers
 - Ceramics, toys
 - E-Waste
 - Automotive parts
 - Metal chains
 - Household hazardous waste

FOOD RECYCLING MADE EASY!

1. Collect food in newspaper, paper bags, or approved compostable bags. List available at www.bpiworld.org.
2. Take food collected to your cart or bin daily.
3. Use newspaper, shredded paper, or soiled napkins in between layers to absorb liquids, control pests, and reduce odor.
4. Keep lids closed at all times to minimize pests.
